Sub: Engagement of field auditors for works other than audit.

Madam/Sir,

It has come to notice that most of the District Audit Officers are temporarily withdrawing the auditors from the field on various occasions in the pretext of some official work as per their personal whims. This is seriously hampering audit work resulting in shortfall in the Annual Audit Programme.

Hence, it is hereby directed that no District Audit Officer should engage any field auditor for non-audit work under any circumstance except for attending the monthly review meeting in the office. However, if at all it is necessary to engage any field auditor in the office work under some exigency, prior permission should be obtained from the Head Office.

Any deviation in this matter will be viewed seriously.

Yours faithfully,

12.09.14
Deputy Director
