Sub: Usability of "Office e-Space" 235/c

Ref: IT Deptt. letter no. 2579, dated: 04/09/2013

Madam/Sir,

With reference to the subject and as per letter of IT department letter no. 2579, dated: 04/09/2013, it was advised to use "Office e-Space" in all the Government offices. Using Office e-Space, will drastically reduce the time delay in postal letters reaching the Government offices. Moreover it will also ensure e-Despatch is used to its full potential by virtue of the letters e-Dispatched from one office is downloaded in real time by the recipient office.

To ensure the letters are downloaded by the recipient office, it was advised that the diary number to be updated on software system upon the receipt of letters. Once this is updated by the recipient office, it is assumed that the letters has reached the concerned officer for necessary action. It is observed that most the departments and their line offices are still not being using the new "Office e-Space" effectively. As a result many important communications are not being served by concerned officers in time.

Therefore, you are requested to kindly instruct your line offices as well as your diary section to use "Office e-Space" in daily basis for quicker receipt and response to various communications.

Yours faithfully,
